Frogs

Grizzly Bear

Hawaiian Monk

Seal

Hummingbirds

Jaguar

January 12, 2012

Dear Monforton Students,

About a year ago I went to a movie about wolverines called *Wolverine: Chasing the Phantom* sponsored by Defenders of Wildlife. I was very amazed and inspired by this movie - so much that I decided to make a class presentation. In doing so I met David Gaillard, who helped me get information and posters. He was very helpful when I needed wildlife help. One time there was a Pygmy owl in my chicken coop and I wanted to know if it was endangered. I emailed David and he said it was and helped me research more about it. Unfortunately, recently David died in an avalanche.

In honor of David and Defenders of Wildlife, I am organizing a fundraiser for endangered species. Between today, Thursday, January, 12 and Wednesday, January, 18, collection boxes will be in each classroom and the office or donate online. Defenders of Wildlife will put the money we raise towards David's memorial fund that will support local endangered species organizations through Defenders of Wildlife; Monforton will receive endangered plush wildcats to be placed in our trophy case to represent our work.

Thank you for supporting endangered wildlife,

Nai'a LeDain

More things you can do:

Do animal research

Educate others about what we can do

Most importantly! Go play in nature-carefully!

Mexican Wolf

Panther

Penguin

Polar Bear

Red Wolf

River Otter

Kit Fox

Sea Otter

Sea Turtle

Snow Leopard

Snowy Owl

Tiger

Whale

Gray Wolf
